**Team Expansion's Mission Statement** Transforming communities among the unreached by planting Biblical churches.

#### **Team Expansion's Purpose**

Throughout the history of Team Expansion, our purpose has remained the same – to work together in teams in order to establish viable, multiplying communities of believers in some of the least reached places on the earth. Simply, we are church planters.

#### **Team Expansion Statistics**

Team Expansion currently includes more than 300 workers serving in more than 40 countries. To date, we've planted more than 180 churches and baptized more than 10,000 believers around the world.

It's amazing what a difference a fixed office will do. I think I did a fairly good job of learning how to have a portable office from an empty classroom at church, to coffee shops, to our dining room table and to a small space in our bedroom. However, it doesn't compare to having my art table, books from Italy, resource/reference material and space to create. The drywall was completed, allowing us to paint, which left only new carpeting and moving in for me to start in my new office on the top floor of the 2:20 Center. The 2:20 Center is a ministry house that sits directly behind Highland Park Christian Church and houses the H.I.M. counseling ministry and future location of a distribution center for those in need.

cob and Angie in front of their masterpiece!

The day before we moved my office furniture and supplies, we found out that our storage unit had been burglarized. Fortunately,

they didn't take all our things, but they opened every box of books, receipts and dumped them on the floor. Some of the books have cut marks where they knifed open the boxes to see what was inside. The thieves got away with a few things, but most was left. I moved into the office anyway, and started working out of it immediately.

Soon, we heard they had captured the thieves. Apparently it was a crime ring which had hundred's of victims. The police recovered some of our things, and later I

some of it at a local resell store. We were thankful and surprised to get any of it back.

Kohl getting his green on. It's just the beginning!

In the next issue, we'll show you many things that we have produced for the new Jump VBS that is almost done! Soon any church that wants to support Team Expansion missions and use a free VBS curriculum with a focus on missions will have the option!

If you are in the neighborhood and want to check out my new office, I am there almost every day of the week. Drop me an email or call me to make sure I'm there. Thanks for partnering with us, your prayer and financial support mean so much! In Christ, Matt & Angie

The final setup. Now, where did I put my pen?

## **Notes** from the President

Dear Friend of the Great Commission,

When friends ask my wife if she worries when I travel overseas, she explains, "Not really. When Doug's traveling, more people are praying for him than at any other time, so I figure he's safer than ever." Likewise, when you lift up the needs of your favorite Team Expansion missionary, you not only put at ease that worker's family members and friends, but you also speed along the progress of the gospel.

Paul wrote to the Colossians (from prison, interestingly enough), "Pray for us, too, that God may open a door for our message, so that we may proclaim the mystery of Christ, for which I am in chains. Pray that I may proclaim it clearly, as I should." These words are engraved on the chimney of a unique double-sided fireplace in the Fern Creek Christian **Church Prayer Pavilion here at Emerald** Hills. We thank you for bringing them to life for your favorite worker. And thank you for your support of Team Expansion's global vision of transforming communities among the unreached by planting churches.

Hopefully, Doug Lucas
